

TORNADOR® VELOCITY VAC

DESCRIPTION:

Introducing Technician's Choice® TEC1236 Tornado® Velocity Vac. You now have the outstanding cleaning power of a Tornado® with the addition of a powerful wet/dry vacuum. TEC1236 easily attaches to the TEC1233 Tornado® Black or Z-030 TornadoMAX® Cleaning Tool and a wet/dry vacuum, turning them into a quick, easy-to-use wet/dry vac that will help detailers optimize the time that they spend on the interiors of each car. This new technology combination will make cleaning fabric and carpets quicker and easier than ever. Vacuuming, cleaning & air drying all in one device means time & cost savings for everyone.

IMPORTANT NOTE -- The TEC1236 Tornado® Velocity-Vac is **ONLY** compatible with the TEC1233 Tornado® Black and the Z-030 TornadoMAX® Cleaning Tools.

OUTSTANDING FEATURES:

- Easy to use
- Compatible with most standard wet/dry shop vacuums
- Optimizes detailing time

AVAILABLE SIZE(S):

- Each
