

SATIN BLACK

Enamel Spray Paint

DESCRIPTION:

Introducing Technician's Choice® TEC99108 Satin Black Enamel Spray Paint....Formulated to meet the rigorous demands of most automotive and maintenance needs. These aerosol paints provide quick drying time, excellent coverage, high impact and slip resistance and UV fade resistant.

DIRECTIONS:

Surface must be free from dirt, dust, grease, moisture, loose rust, scale and paint. Shake can for at least one minute after agitator in can rattles, repeat occasionally during use. Spray surface with steady even strokes at a distance of 8 to 10 inches (20 to 25cm). Several light coats give a better finish than one heavy coat.

OUTSTANDING FEATURES:

- Non-Chlorinated
- VOC/Compliant
- No Ozone Depleting Chemicals.
- Interior/Exterior Application
- Fast Drying
- Weather and Rust Resistant
- High Impact and Chip Resistance
- Excellent Coverage

AVAILABLE SIZE(S):

- (12) 12oz Cans/Case
